Prof. Donald R. Pratt

DONALD R. FRATT, M. D.
PRESIDENT
SIG SUTTER STREET

American Society for Surgery of the Hand

CERTIFICATE

An extensive post-graduate study of Surgery of the Hand has been engaged in by Dr.Ahmad Siadat-Pour during the past four months in California.

Attending the surgical ampithestre on a wide variety of traumatic, reconstructive and elective surgical procedures on the hand, he has availed himself of the activities of the individual members of this office, Dr.L. D. Howard, Jr., Dr.John J. Niebauer, Dr. Donnid R. Pratt and Dr. Robert L. Bravan.

He made rounds at the various hospitals, University of California Medical Center and attended the weekly Hand Clinics devoted to the pre and pootoperative care, dressings and evaluation of the progress of the individual hand cases.

He has taken part in the discussion of various cases, observed the pre and postoperative care in the office, hospital, Outpatient Clinics and opening room theare, at the Prosbyterian Medical Center, St. Luke's Hospital, Suthern Facific Memorial Rollmoad Hospital, University of California Hospital, Veteran's Facility Fort Miley, Children's Hospital, St. Francis Hospital, U. S. Public Marin Hospital, U. S. Army Hospital, U. S. Namy Hospital, U. S.

He has been attentive, observant, an excellent graduate fellow, and has absorbed profoundly the depths of Hand and Reconstructive Surgery during this graduate course.

It has been a privilege and pleasure to have him attend the activities of our Hand Service in San Francisco during the past four months.

Cordially,

Donald R. Pratt. M. D.
